7. PLAN OF ACTION OF THE DEPARTMENT FOR THE NEXT FIVE YEARS (JUNE 2021- MAY 2026)

PLAN OF ACTION

- To keep faculty members abreast with the latest trends and developments in Research, Technology and Teaching methodologies and motivate them to remain exposed to the Industrial processes & activities.
- In order to promote quality research, the department will undertake research projects keeping in view their relevance to needs and requirements of technology in local industry.
- To create an enabling academic environment for students embedded with sincerity, discipline and commitment;

To achieve these goals, a set of following objectives are identified to be achieved through this perspective plan.

1. To launch value added and skills development programmes improving the employability of students.
2. To uphold continuously good academic performance with 100% results;
2. To inculcate learner centric and effective teaching learning process;
3. To ensure transparency and credibility in the process of students' evaluation;
5. Guest lectures should be organized by inviting experienced faculty from other colleges who can guide students for exam preparation.
