Vision

K. C. Das Commerce College was established with the vision of catering to the need of Commerce education at the tertiary level to tap the intrinsic potential of aspiring youths of the State. The College aspires to uphold the ethos of national policies of education, stay relevant across time and contribute towards nation building and development. The College seeks to make the students courageous enough to appreciate creativity, inclusiveness, innovation, integrity and quality as well as hardworking enough to acquire these traits, be skillful, employable and adapt to the contemporary challenges. The College desires to promote excellence in teaching, research, interdisciplinary education, leadership and outreach. Our cooperation of instinct and intellect founded upon human values strolls perfectly with our motto: 'To Strive, To Seek, To Learn and not To Yield.'

Mission

Since its inception, our College has been committed to foster individuals realize the ethics reflected in the College's vision. In the new millennium, missions of our College are:

- To enrich students through quality education and thereby empower them.
- To be a model learning institution with a working environment in which the quality of life, mutual support and teamwork on campus are rich and participatory.
- To make higher education accessible to the underprivileged section of the society.
- To encourage students develop and realize their innate potential in co-curricular fields through participation in cultural, extension, literary, sports activities etc.
- To emphasize on sustaining interdisciplinary research and education not only within and across academic fields, but also across institutional, national and cultural boundaries.
- To work hard and stay relevant under any education regime and achieve scholastic brilliance to meet the needs and expectations of the society.
- To sensitize students play a constructive role and contribute towards nation building with honesty, integrity, civilized discourse and good behaviour.
- To enable the guardians to assess their own children and help them to reach their full potential.
- To help teachers improve themselves through self-assessment and professional development

Goals and Objectives

- In order to realize our Vision and Mission, certain goals and objectives have been outlined:
- Encourage students carry out self-assessment and share the needs if any, with teachers and the Principal.
- Provide extra academic support to students to better their previous results.
- Provide opportunities of education, skills enhancement and employability through regular and value-added courses and tutorials.
- Enhance learning of the students through innovative educational environment.
- To enable students to develop a sense of culture, patriotism and morality through human values.
- Encourage students develop and realize their innate potential in co-curricular fields through participation in cultural, extension, literary, sports activities etc.
- To encourage and develop research culture among the faculty members.

Motto

To Strive, To Seek, To Learn and not To Yield

Let us break it down:

To Strive refers to the act of engaging with meaning or getting involved in one's life to ensure a better living.

To Seek refers to the desire to obtain or achieve something worthwhile in life. It is the act of seeking something that would enrich our lives and give us joy and satisfaction.

To Learn refers to the act of acquiring knowledge or expertise by understanding facts or ideas. Learning is a continuous process which helps to gain new experiences and handle a wide range of challenges with clarity and confidence.

And Not to Yield denotes our ability of not to give-up, but to keep going or move forward despite the challenges and adversities of life.

Words from the Principal...

Dear Prospective Students,

Education serves as a catalyst for personal growth, intellectual development, and social progress, empowering individuals to think critically, form informed opinions, and navigate life's complexities with confidence and resilience. Subsequently, the individual does not develop alone. Society, nation and at times humanity, all benefit from education. In this journey to realize your dreams, K. C. Das Commerce College would like to play a pivotal role.

K. C. Das Commerce College is one of the premier learning centers catering to tertiary education not only in Assam but also in North East India as well. At K. C. Das Commerce College, we pride ourselves on providing a vibrant and inclusive learning environment that encourages curiosity, fosters critical thinking, and promotes personal growth. Our commitment to academic excellence is matched only by our dedication to nurturing well-rounded individuals who are equipped to make meaningful contributions to society.

As you scroll through the pages, you'll discover a rich drapery of academic programmes, scope of extra-curricular activities and support services designed to empower you to achieve your full potential. Whether your passion lies in the commerce, management, sciences, arts, or professional fields, you'll find a wide array of opportunities to pursue your interests and carve out your unique path. The College offers programmes like Higher Secondary, B.Com., B.B.A., B.C.A., B.A. with Economics Major, B.Sc. (Regular) at UG level and PGDCA and M.Com. at the PG level. We have implemented the Four Year Under-Graduate Programme (FYUGP) as per UGC's Curricular Framework under Gauhati University from last year. Recently, the BBA and BCA Programmes of the College got AICTE approval too. As on today, the College attracts students from all across the North East as well as other parts of India.

The College has a Department of Value-Added Education which offers various Certificate Courses and Counseling Sessions for CA. Certificate Courses are offered online and are not restricted to students of the College itself. In fact, our self-developed online infrastructure caters to teaching, learning and evaluation as well. Institutional MOOC Courses are also available online.

In its 41 years of existence, K. C. Das Commerce College has been able to carve out a respectable forte for itself. Academic results have been very good over the years. For e.g., 90% students secured first class in B.Com., while 100% secured first class in BBA last year. Varhsa Bothra secured first rank in the State in the H.S. Final Examination 2023. The College is equally proud of students who participated in international and national level championships or events. Our students have been our ambassadors and they are disseminating our success stories in various spheres of the society, both within and across borders.

Our endeavor is to facilitate the students with an environment that enables them to identify their latent talents in both scholastic and co-scholastic domains. Academically, students are exposed to different modes of learning through industrial exposures, field works, guest lectures, seminars, skill-based workshops, webinars and interaction with entrepreneurs and experts from the corporate world. Our Career Counselling Unit thrives hard to take care of the needs of interested students. The College is a recognized Skill Hub under the **PMKVY 4.0. (Pradhan Mantri Kaushal Vikas Yojana)** The College is self-reliant in the Information Technology sector to a large extent. Our IT-R&D Cell powers IT services of many institutions. You can be a part of these ventures.

Stakeholders are working hard to fulfill the targets set in the Institutional Perspective Plan and catapult the College into a high quality multi-disciplinary institution. Recently, K. C. Das Commerce College got selected for the prestigious **PM-USHA (Pradhan Mantri Uchchatar Shiksha Abhiyan)** grants of the Government of India.

Our motto is 'To Strive, To Seek, To Learn and not To Yield'. I invite all the bright minds to explore the scope that our College can offer. "*Aano Bhadra Krtavo Yantu Vishwatah*": '**Let noble thoughts come from all directions.**' This profound conception from the 'Rigveda' illustrates the recognition of limitless learning in the Vedic Period. We desire and work hard to create a similar learning environment. Our dream is to develop K. C. Das Commerce College into a nationally renowned multidisciplinary institution of knowledge. We are determined to achieve our goals and I welcome you to be a part of our TEAM.

With best wishes,

Dr. Hrishikesh Baruah, M.Sc., Ph.D.

The College...

Established on the 7th Day of November 1983, K. C. Das Commerce College began its humble origin as an evening College at Sonaram H.S. & Multipurpose School at Bharalumukh, Guwahati. Subsequently, on 30th November 1994, the College shifted to its permanent campus at Chatribari where it is presently situated.

The College was started with the financial assistance provided by prominent industrialist, Late Sri Ramesh Chandra Chaudhury who agreed to a request made by a few well-known educationists and social workers like Prof. Tarini Kanta Baruah, Prof. Dhirendranath Kalita, Prof. Bhupen Deka and Mrs. Minati Chaudhury to support the Institution. The College has been named in the cherished memory of his father, Late Keshab Chandra Das, an educationist of repute during the British era.

Today, the College offers programmes like Higher Secondary, B. Com., with honours in Accountancy, Finance, Human Resource Management, Marketing Management, B.A with Economics Honours, B.Sc. with Economics -Statistics - Mathematics combination, BBA, BCA, M.Com., PGDCA, IGNOU and MOOC. Apart from H.S. and B.Com., all other Courses are Self-Sustainable. The College also has a Value-Added Education Department which offers various Certificate Courses and Counselling Sessions for professional courses like CA and CS. Presently, the College has fourteen departments and imparts learning to approximately three thousand students with an efficient and dedicated teaching staff. The Research and Development Cell of K. C. Das Commerce College works on two fronts: community research and as an I.T. development hub.

Education in K. C. Das Commerce College is not simply restricted to classrooms and the prescribed curriculum. Our endeavor is to facilitate the students with an environment that helps them to identify their latent talents and develop their inherent abilities. The College has a very vibrant Career Guidance and Placement Cell with a Skill Hub to take care of the needs of the students and is associated with Assam Skill Development Mission of the Government of Assam, JACEEX (Japanese Centre of Excellence) and Institute of Company Secretaries of India (ICSI). The Internal Quality Assurance Cell (IQAC) which was established on 16th June, 2003 initiates, plans and supervises various activities which are necessary to ensure a quality culture at the institutional level. On 19th and 20th May 2023, the College was assessed by the National Assessment and Accreditation Council (NAAC).

Our institution has traversed quite a long distance amidst various ups and downs. The performance of our students at Higher Secondary and Degree Level has shown remarkable improvement. Since 2008, our students have occupied top positions every year. The pass percentage which usually stands above 90 is always above University pass percentage. We remain deeply committed in our endeavor to establish ourselves as one of the foremost institutions dedicated to commerce education in the country.

We have an active and responsible registered Alumni Association. The College takes pride in its alumni, many of whom are serving our nation by holding responsible positions in various fields all over the country and abroad.

In its 40 years of existence, K. C. Das Commerce College has been able to carve out a respectable niche for itself by virtue of the relentless hard work of all the stakeholders. Today, we attract students from not only the North East, but from other parts of India and neighboring countries as well.

MENTORING PROGRAMME

The mentor-mentee relationship can be an invaluable one for the parties, the mentor as well as the mentee. The mentor's role is to teach, guide and help to shape the professional growth and learning of the mentee and to serve as a positive role model. The mentee's role is to seek guidance and constructive feedback on his/ her academic pursuits and professional development and career goals. However, to make the relationship grow, each party needs to understand the role they play.

The goal of K. C. Das Commerce College in this regard is to create a vibrant teaching-learning and self-exploring environment where the students can understand and access their own potential.

The newly admitted students are grouped and allotted respective mentors for their entire stint in the College. The details of allotment are available in the website of the College.

RESEARCH AND DEVELOPMENT CELL

Promotion of research and research-based activities amongst the faculty is a key strategy of the College. The Community Research and Development Cell of the College has been set up with an objective to assist Communities and Societies at large with regard to various socio-economic aspects. INFRASTRUCTURE AND FACILITIES

LIBRARY

A library is the heart of an educational institution and the library of K. C. Das Commerce College is no exception. It is the hub of academic activities of the College: a trinity of the library staff, reading materials and the readers.

Our Library is one of the best College libraries in Assam in providing efficient service to the readers with a total number of 27,358 books along with other facilities. It is spacious with a reading room which has a seat capacity for about 100 readers. The Library has a collection of over twenty seven thousand books in different subjects. Latest publications are continuously added to the existing collection to equip students with a wide range of academic material. The College Library provides user services through automated environment; it is equipped with latest SOUL 3.0 Library Management Software, besides circulation facility using bar-coding and Internet facility.

The Library has access to E-Resources through the - National Library and Information Services Infrastructure for Scholarly Content (N-List) and National Digital Library of India (NDLI). It also subscribes various journals of national repute and a number of prominent national and regional dailies. The Library - Book Bank facility caters to the needs of the economically underprivileged students of the society.

The Library is expanding its access to electronic and digital resources through Digital Library (DL) cum Institutional Repositories (IR) and Library Website. It also offers the - BEST READER AWARD to the student who makes the best use of the library with an aim to inculcate the reading habit among the students.

The various services offered by the library includes Circulation, Reading Room service, Current Awareness Service, Reprographic service, WebOPAC, Newspapers Indexing, Book Bank services for the economically backward students, Internet service, E- Resource service, Institutional Repository, Social media inputs, Library Orientation and Library Internship.

DIGITAL CLASS ROOMS

The College has Digital Class Room facility for conducting different academic activities. Classrooms are equipped with digital teaching aids including PCs, overhead projector and audio system.

COMMERCE LAB

Commerce Lab of K. C. Das Commerce College was inaugurated on 29th October 2018 by Prof. Prasantha Athma, Head and Dean, Department of Commerce, Osmania University, Hyderabad.

Keeping pace with industrial growth and need, it has become a necessity for a commerce student to gain practical exposure of the processes, procedures and practices followed in the business world along with theoretical insights.

AUDIO LAB

The Audio Lab of K.C Das Commerce College was started in 2023. The objective of Audio Lab is to produce quality audio tracks of lessons, case studies and Educational Videos to help the students have easy access to learning. Through the case studies an assessment is done about their understanding of the particular concept. The Audio-Video TLM assignment videos made by the students are assessed in the Audio Lab.

The Audiolab has the following equipments-

1. Computer with intel core i5 processor
2. Focusrite Scarlett Sound card
3. 1 Mic
4. 1 Studio focusrite Flat Headphones
5. 1 Mic Stand
6. 1 Amplifier
7. 1 Acoustic Guitar

The Recording is done using the DAW “NUENDO” by Steinberg. The software helps to Record and Mix Audio tracks.

Future Plans-

1. We will encourage students to start their own podcast.
2. We will be making more educational videos on Indian Management System.
3. New Case studies on various topics will be developed for the benefit of the students

THE COLLEGE APP

The College App enables the students to procure information related to their curriculum, examination, assignments etc. and about the latest news and events too.
