Certified Green campus, Energy & Environment Auditor (Lead Auditor)

Department of Zoology

CERTIFICATE OF ENERGY AND ENVIRONMENT AUDIT

This is to certify that an **Energy and Environmental Audit** was conducted at K. C. Das Commerce College, located at Chatribari, Guwahati 781008, on 3.5.2024 & 4.5.2024. The audit was carried out in accordance with established guidelines and best practices to assess the institution's energy consumption, environmental impact, and sustainability measures.

The assessment included:

- ❖ Evaluation of energy consumption patterns and efficiency measures
- ❖ Analysis of green energy utilization and conservation strategies
- ❖ Examination of water and waste management practices
- ❖ Review of environmental policies and sustainability initiatives

Based on the findings, at K. C. Das Commerce College has demonstrated **satisfactory adherence to energy and environmental standards**. Recommendations for further improvements have been provided to enhance sustainability and reduce the institution's ecological footprint.
