

**Report on
Cleanliness and Plantation Drive by the Eco-Club and NSS Unit**

The Eco-Club and NSS Unit of K. C. Das Commerce College have conducted a Cleanliness & Plantation Drive in the month of April, 2023 by converting the garbage dump which existed in the College entry point into a green plantation area. This drive has been made with regard to the "Environment and Energy Audit Report-2021-22" of K. C. Das Commerce College and also keeping in mind the concept of "Swachh Bharat Abhiyan" to create a clean and green environment in and around the College campus.
