Promotion research and research-based activities amongst the faculty is a key strategy of the College. The Research and Development Cell of the college has been set up with an objective to assist government and non-government agencies with Research and Development with regards to various socio-economic aspects. The RD Cell of the College recently has conducted a study about prospect of eco-tourism in the Rani Kahamar village of Rabha Hasong Zone. Another proposal of the RD Cell of the College has submitted to the Assam State Rural Livelihood Mission (ASRLM), Govt. of Assam to undertake a study on the contribution of ASRLM towards women empowerment in Assam through SHGs. The proposed area of research has been identifying and preliminary study has been initiated.

The study about prospect of eco-tourism in the Rani Kahamar village of Rabha Hasong Zone is basically provide an insight into the concept of Eco-Tourism in rural area in Rani Khamar under Rabha Hasong Zone. It also gives an analytical vision of the household towards upliftment of their socio-economic development in relation to Eco-Tourism.

The main Objectives of the study are.

1. To make a conceptual analysis of Eco-Tourism.
2. To study the Ecology and Bio-diversity in surroundings areas of Rani Khamar Range.
3. To ascertain the prospect of village Eco-Tourism towards upliftment of Socio-economic condition of people under Rabha Hasong Zone.
4. To analyze the Socio-economic condition of household under Rani Khamar Range
