Outcome of the Event (200 Words)

The event yielded significant and meaningful outcomes, both for the participants and the community. By commemorating the birth anniversary of Lt. Zubeen Garg through socially responsible activities, the programme successfully instilled a deeper understanding of environmental stewardship among the students. The plantation drive at K.C Das Commerce College encouraged participants to value sustainability, as the act of planting saplings symbolized long-term growth and responsibility toward nature. This initiative helped students recognize their role in contributing to a greener and healthier environment.

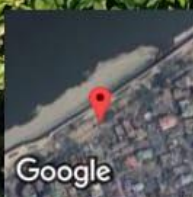

The cleanliness drive at the Brahmaputra Riverfront Park further strengthened the spirit of community service. Students, NSS volunteers, and members of the Students' Union collaboratively worked to clean and maintain the surroundings, promoting a sense of pride and ownership toward public spaces. This hands-on involvement enhanced their teamwork, cooperation, and leadership abilities. It also served as a practical reminder of the importance of maintaining cleanliness and hygiene in shared environments.

Overall, the event served as a fitting tribute to Lt. Zubeen Garg, reflecting his values of social contribution and cultural influence. It brought together members of the college community in a purposeful initiative that emphasized environmental awareness, social responsibility, and active participation. The programme concluded with a strengthened sense of unity, commitment, and civic consciousness among all participants.
