Field Trip: Field trip for the student of 5th semester was organized on 27th November, 2018 to Industrial Growth Centre, Chaygaon . The students along with four faculty members visited “Fabric Plus” where everyone got chance to see how cocoon is processed to thread and lastly becomes finished product i.e traditional Assamese attire like mekhla/saree/shawl etc. From the manufacturing unit the next visit was paid to “Fabric Plus” outlet situated at Zoo Tiniali. The student carried the “Schedule” (Questionnaire) with them and on that basis they interacted with the owner and hopefully got an idea about domestic and international customers. It is pointed out that the customers mostly are of different foreign countries. Since the organization exports, another items are produced according to likings of international customers. In nutshell, the field trip was successful. The day started at 8-30 a.m and all returned back at 6-30 p.m.
