

## ACTIVITY REPORT FORMAT

**1. Name of the Organising Cell:** Eco-Club

**2. Name of the Event Conducted:** Celebration of World Environmental Day

**3. Name of the Collaborating Cell:** NCC, NSS, IQAC, Students' Union

**4. Mode:** Offline

**5. Date of the Event:** 5th June, 2026

**6. Time:** 8:30 AM -1 PM

**7. Objectives of the Event (Please describe point-wise):**

- i) To create awareness among the students about the climate change
- ii) To build a sense of environmental responsibility through active participation in green activities

**8. Total No. of Participants:**

**a. Students: 140**

**b. Teachers: 12**

**c. Total= 152**

**9. Outcome of the event:**

On the occasion of World Environment Day, 5<sup>th</sup> June 2026, a comprehensive Cleanliness and Plantation Drive was jointly organized at K.C.Das Commerce College through a collaborative effort by the college Eco Club, NCC Unit, NSS Unit and the Students' Union. The event commenced on the college premises, where the student volunteers and cadets systematically cleaned the college campus, promoting waste segregation and sustainability. Following the cleanliness drive a formal plantation ceremony was held within the college campus, during which various native plant saplings were planted in designated green zones by the students and faculty to enhance the college green cover.

Following the in-house activities, the contingent extended its environmental outreach program to Brindavati High School in Mirza. The team was warmly welcomed by the school administration and together with the local school children, they planted a variety of fruit-bearing and shade-providing saplings across the school grounds. This extension drive successfully achieved its goals of fostering social responsibility among the student community and spreading crucial awareness about afforestation and environmental conservation beyond the college boundaries.

The outreach program of Brindavati High School strengthened the bond between educational institutions and the local community, spreading awareness about the importance of

afforestation, climate action, and ecological conservation. Overall, the program instilled environmental values among participants and encouraged collective efforts towards building a greener and more sustainable future.
