Report on World Wildlife Day Celebration at K.C. Das Commerce College

On March 3rd, 2025, K.C. Das Commerce College celebrated World Wildlife Day with great enthusiasm and active student participation. The event aimed to raise awareness about the importance of wildlife conservation and promote a sense of responsibility among students towards environmental sustainability. The program commenced with a welcome speech by Dr. Upasana Chakravarty, who provided an insightful overview of the history and significance of World Wildlife Day. She emphasized the essential role wildlife plays in maintaining the ecological balance and how its preservation is crucial for the well-being of our planet. Her speech encouraged students to acknowledge the deep interconnection between nature and human existence. Following this, Dr. Hrishikesh Baruah, the Principal of the college, addressed the gathering with an inspiring speech. He urged students to inculcate environment-friendly behavior in their daily lives and underscored the need for active participation in wildlife conservation efforts. Stressing the importance of biodiversity, he highlighted how the survival of various species contributes to a sustainable ecosystem and called for collective responsibility in protecting the natural world. As part of the celebration, two competitions—an extempore speech competition and a poster-making competition were organized to engage students creatively. Around 80 students enthusiastically participated, showcasing their awareness and concern for wildlife conservation. The extempore speech competition provided students with a platform to express their thoughts on various wildlife-related topics, while the poster-making competition allowed them to visually depict the importance of protecting flora and fauna. To recognize and appreciate their efforts, certificates of appreciation and prizes were distributed to the top three winners in each competition. The event successfully instilled a sense of responsibility and awareness among students regarding wildlife conservation. It was a remarkable initiative that not only celebrated the significance of the day but also motivated young minds to take an active role in protecting the environment for future generations.
