

FIELD STUDY REPORT 2017

The Management Department of the College conducted a field study on 12th February 2017 at Maloibari village under Sonapur Development Block. More than 150 students participated in the field study. The students are divided into several groups under and the supervision of the faculty members of the Department to conduct the study in the area. Each group collects the necessary data through the questionnaire distributed to the household of the area.
